Won't you be my honky tonk girl?
Won't you be my honky tonk girl?
I may be going home
but I dont wanna be go alone
Won't you be my honky tonk girl?

I saw you workin' last saturday night
I asked you if you needed a light
I said excuse me baby please
but you brought me to my knees
Won't you be my honky tonk bride?

Yeah, we will have kids and a tractor
our house will be such a pretty sight
we'll work in our honky tonk
all the week through
but honey, guess where we're gonna be come saturday
night
we'll be rockin

Won't you be my honky tonk girl?
Won't you be my honky tonk girl?
I may be going home
but I dont wanna be go alone
Won't you be my honky tonk girl?

Yeah, we will have kids and a tractor
our house will be such a pretty sight
we'll work in our honky tonk
all the week through
but honey, guess where we're gonna be come saturday
night
we'll be rockin

Won't you be my honky tonk girl?
Won't you be my honky tonk girl?
I may be going home
but I dont wanna be go alone
Won't you be my honky tonk girl?
Won't you be my honky tonk girl?
Won't you be my honky tonk girl?
