say something wrong
spend a night in the box
stay out too long
spend a night in the box
stray out of line
spend a night in the box
sway out of time
spend a night in the box
veer those eyes at curly blonde locks
spend a night in the box
a night in the box

she's a beautiful girl and she's dear to me
but there's a certain little way that I've got to be
like Cool Hand Luke I'm shakin it here
"Boss," she calls and I'm all ears

staight up and down
spend a night in the box
she doesn't utter a sound
spend a night in the box
when she's mad at me
spend a night in the box
i've gotta pay the fee
spend a night in the box
Like Cool Hand Luke I'm bustin' rocks
spend a night in the box
Go!

Stayed up all night and watched Cool Hand Luke
He ate fifty eggs and didn't even puke
My flappin tongue has sealed my fate
what we've got is a failure to communicate

say her friend is cute
spend a night in the box
that was a beaut
spend a night in the box
forget valentine's day
spend a night in the box
have eyes that stray

spend a night in the box
where insanity comes in ticks and tocks
spend a night in the box
a night in the box
go again!
