I'm at best  
when I'm a mess  
I cannot wait  
to see you undress

I'm so pretending not to look  
but i cannot help myself

cause your the one  
that get's my gun  
your the one  
that get's my gun

it comes to this  
your body is bliss  
you make me shine  
into a moment  
and underneath the covers is where  
i want you to be now

cause your the one  
that get's my gun  
your the one  
that get's my gun  
your the one  
that get's my gun  
your the one  
that get's my gun
