"Tirol Will Go On"

Every night in my dreams
I see you, I fear you
That is how I know you Switzerland

Far across the distance
And Vorarlberg between us
You have come to make your Praktikum

CHORUS:
Near, far, wherever you work
I believe that Tirol does go on
Once more you open the door
And you're here on my floor
And Tirol will go on and on
Swiss can touch me one time
And last a life - time
And never let go till we're one

Tirol was where I was born
A nice land I hold to
In my life we'll always go on

CHORUS:
Near, far, wherever you work
I believe that Tirol does go on

Once more you open the door
And you're here on my floor
And Tirol will go on and on
