Give me your hand  
Give me your smile  
Give me your kiss, baby  
Please, just be mine

I need your love  
I need you tonight  
I've waited for you, baby  
All of my life, all of my life

I'm feeling alive when you're looking at me  
I'm feeling alive when you stand close to me  
I'm feeling alive when you call out my name  
Oh please, tell me, baby, that you feel the same

You make me feel so alive, I feel so alive

Give me a chance  
Give me some time  
To prove to you, baby  
I'm telling no lies

Don't play with my heart  
Don't play with my mind  
I've waited for you, baby  
All of my life, all of my life  
I'm feeling alive when you're looking at me  
I'm feeling alive when you stand close to me  
I'm feeling alive when you call out my name  
Oh please, tell me, baby, that you feel the same

You make me feel so alive, I feel so alive

I swear I'm telling no lies  
I need you tonight

I'm feeling alive when you're looking at me  
I'm feeling alive when you stand close to me  
I'm feeling alive when you call out my name  
So please, tell me, baby, that you feel the same

I'm feeling alive when you're looking at me  
I'm feeling alive when you stand close to me  
I'm feeling alive when you call out my name  
So please, tell me, baby, that you feel the same

Feeling, feeling alive
