Everything's Archie

Archie's Here - Betty's Here
Veronica too - Reggie's here
Hey Jughead! Where are you?

We wanna dance and we wanna sing
Have some fun and go adventuring
All our friends are here - But it ain't complete
We ain't the Archies without the Jughead beat

Whoa oh oh

Archie's Here - Betty's Here
Veronica too - Reggie's here
And here comes Jughead - And Hotdog too

So Everything's Archie
Come on - Let's go with the Archie show!
