You better watch out, you better not cry  
You better not pout, I'm telling you why  
Santa Claus is coming to town

He's making a list, checking it twice  
Gonna find out who's naughty and nice  
Santa Claus is coming to town

He sees you when you're sleeping  
He knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake

You better watch out, you better not cry  
You better not pout, I'm telling you why  
Santa Claus is coming to town

He sees you when you're sleeping  
He knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake

You better watch out, you better not cry  
You better not pout, I'm telling you why  
Santa Claus is coming to town

He's coming to town
