One fine morning, girl, I'll wake up  
Wipe the sleep from my eyes  
Go outside and feel the sunshine  
Then I know I'll realize  
That as long as you love me, girl, we'll fly

And on that mornin' when I wake up  
I'll see your face inside a cloud  
See your smile inside a window  
Hear your voice inside a crowd  
Calling, "Come with me baby and we'll fly"

Yeah, we'll fly-y-y, yeah, we'll fly  
We'll fly-y-y, yeah, we'll fly

And on that mornin' when I wake up  
We'll go outside and live our dreams  
I'll buy you candies made of stardust  
And little dolls dressed up in moonbeams  
And everywhere we go we'll laugh and sing  
I'll kiss you morning, noon and night  
And all the universe will smile on us  
'Cause they know that our love is finally right

Yeah, we'll fly-y-y, yeah, we'll fly  
We'll fly-y-y, yeah, we'll fly

Yeah, we'll fly to the east, we'll fly to the west  
There'll be no place we can't call our own  
Yeah, we'll fly to the north, we'll fly to the south  
Every planet will become our home

----- piano -----

Yeah, we'll fly-y-y, yeah, we'll fly  
Yeah, we'll fly to the east, we'll fly to the west  
There'll be no place we can't call our own  
We'll fly to the north, we'll fly to the south  
Every planet will become our home
