Hum dum de dum, hum dum de dum  
I'm so rumbly in my tumbly  
Time to munch an early luncheon  
Hum dum de dum, dum

Oh, I wouldn't climb this tree  
If a Pooh flew like a bee  
But I wouldn't be a bear then  
So I guess, I wouldn't care then

Bears love honey and I'm a Pooh bear  
So I do care, so I'll climb there  
I'm so rumbly in my tumbly  
A time for something sweet

Oh, I wouldn't climb this tree  
If a Pooh flew like a bee  
But I wouldn't be a bear then  
So I guess, I wouldn't care then

Bears love honey and I'm a Pooh bear  
So I do care, so I'll climb there  
I'm so rumbly in my tumbly  
A time for something sweet
