Alone Tonight

Senorita

Nice to meet ya

We show spend some time alone tonight

With your body I feel the heat

And all that I need is right in front of me

Won't be the one to bore you

But I'll be the one to show you what you never
thought that you'd explore

Your aura's taking over me

And I don't know why

But I'm willing to try and find out.

This could be just too real or too good to be true

But I can't take my eyes off of you.

Mamacita

How I'd like to see you come my way

Oh the games we would play

Sugar. Darlin

I'd have you hollerin' my name

Would that be ok?

Maybe I should ask you.

Maybe I should try

So should I? Could I? Can I take you home tonight?

Your aura's taking over me

And I don't know why

But I'm willing to try and find out.

This could be just too real or too good to be true

But I can't take my eyes off of you.

Your aura's taking over me (Taking over me)

And I don't know why

But I'm willing to try and find out.

This could be just too real or too good to be true

But I can't take my eyes off of you.
