Much thought invades the night
Familiar all the same
Lost words without a rhyme
A face without a name

A puzzle that's lost in time
Can't figure it out won't even begin
Not a question or wondering why
Where is my place, who am I?

It seems to me it's getting clearer all the time

When I'm not lost inside my mind
I start feelin so clearly
It's finally mine
I've waited far too long to find this piece of mind

Moments so fleeting
Seconds too short to embrace
So many lessons learned
Suddenly gone without a trace

It seems to me it's getting clearer all the time

When I'm not lost inside my mind
I start feelin so clearly
It's finally mine
I've waited far too long to find

Everyday that I stay true
Destiny seems to find a way
Clarity changes, rearranges everything

Everyday that I stay true
Destiny seems to find a way
Clarity changes, rearranges everything

When I'm not lost inside my mind
I am seeing so clearly
It's finally mine
I've waited far too long to find this piece of mind
