This masquerade
The games we play all come down to this
Sip of passion
Slow reactions with romance in the air
Gentle fire
Leads to perspirin' as passion takes the night away
Forbidden love to unbridled truth
As consequences fade away

Your secret's safe with me
When moonlight fills your fantasies
Flip gets to floppin'
And the bed gets to rockin'
So Fine, you're mine
If only for one night

Tick tock of the clock
Reality sets in.
Slow risin' chest
Enter regret manifesting through smoke and sweat
And Oh!
A ring from the phone, a call from home
Should we answer it?
Forbidden love to unbridled truth
As consequences fade away

Your secret's safe with me
When moonlight fills your fantasies
Flip gets to floppin'
And the bed gets to rockin'
So Fine, you're mine
If only for one night
