Slow down
Moving way too fast
Got remind myself
To make this last

Sometimes I ask myself why
Why I should live this life
Or be the man Iâ€™m meant to be
Or if I shouldnâ€™t even try to survive at all this way

Round and round we go
Trying to chase this life around
The feelings show

Would you take it all away
If Iâ€™m not everything
That you wanted or needed me to be

Would you stand in line
Just to show youâ€™re mine
And be all that you would if you believe what we could
be

Visions of grandeur and spotlight too
Feelin so removed from youth

But round and round we go
Trying to chase this life around
Let the feelings show

Would you take it all away
If Iâ€™m not everything
That you wanted or needed me to be

Would you stand in line
Just to show youâ€™re mine
And be all that you would if you believe what we could
be

All that I am
And all that I could be

Something inside
The hunger to achieve

Where I go Iâ€™ll take my dreams
Just to know that love

Would you take it all away

Would you take it all away
