Quarter-life

You ever searched your soul and felt like thereâ€™s
nothing left?

You ever come face to face with yourself?

You ever felt the eyes of the whole world were watching
youâ€¦but no one could ever see the truth?

Stumble and fall and no one will save you.

You just feel like throwing it all away.

Itâ€™s my quarter-life crisis.

Itâ€™s my borderline insanity.

To the left of the right direction

And everyone seems to say they seem to think they
seem to feel they really knowâ€¦but you.

You ever reached so high but felt so afraidâ€¦and
didnâ€™t know the reason why?

You ever worked so hard to finally realize

It has all come down to this?

Standing so tall

Clinging to everything the world wants you to lose

Itâ€™s my quarter-life crisis.

Itâ€™s my borderline insanity.

To the left of the right direction

And everyoneâ€™s seems to say they seem to think
they seem to feel they really knowâ€¦but you.

Itâ€™s my quarter-life crisis.

Itâ€™s my borderline insanity.

To the left of the right direction

And everyoneâ€™s seems to say they seem to think
they seem to feel they really knowâ€¦but you.
