Relentless
Breathless
Day to day failure, so much in every way.
It's homicide
Killing these dreams of mine
How can I survive?
I need this in my life.
Can dreams rise above this pain?
Show me a sign
Must be a way

Sometimes you've got to stand up
In time of trouble
You've got to still believe
This is no time to be waiting
Got to, you've got to achieve

Stand up right on the double
You've got no time to waste
This is the time to take over
So stand up! Stand up and take your place

Two roads
Diverged at one time
And I chose, don't know why this is mine
It figures
No one picks road like this
Never ending
Never moving without a twist
Can dreams rise above this pain?
Show me a sign
Must be a way

Sometimes you've got to stand up
In time of trouble
You've got to still believe
This is no time to be waiting
Got to, you've got to achieve

Stand up right on the double
You've got no time to waste

This is the time to take over
So stand up! Stand up and take your place
