"Billy Davies' Daughter"

I never knew her name
I only knew her fame
She lived near my town
Another Goldfish to drown
Well I just passed the bridge
That parts us from them
The bridge that she used
Again and again
Again
I remember when I found her
Billy Davies' daughter
Word gets around
Word gets around
Billy Davies' second daughter
Threw herself to dirty water
Billy's left with nothing but a dream
Billy Davies' second daughter
Threw herself to dirty water
Billy's left with nothing but a dream
He dreams
He dreams
He dreams
He dreams
He dreams
He dreams
He dreams
He dreams
He dreams
Word gets around
