Wake up world
Now do hear you it
It's time to go and spread the word
Everywhere, oh yeah
People dancing
No matter where you turn

In the street gonna stop the traffic
Downtown do you feel the magic
To the left, to the right
Just look to the sky, even angry birds are happy

Sing along don't try to fight it
Cuz' you know tonight it's going down, yeah
Everybody move to the party alarm

Boys and girls there's a party alarm
Going whoa whoa whoa, whoa whoa whoa
Across the world
There's a party alarm
Going whoa whoa whoa, whoa whoa whoa

Boys go "Yo"
Say "Let's go"
Hands in the air
Let's get it an rolling
Whoa whoa whoa
Everybody move to the party alarm

My stereo (padapada boom)
Beat the music (beat the music)
Into shoulders, knees and toes

Bring your friends
And some L.U.V
It's proper party code

In the street gonna stop the traffic
Downtown do you feel the magic
To the left, to the right
Just look to the sky, even angry birds are happy

Sing along don't try to fight it
Cuz' you know tonight it's going down, yeah
Everybody move to the party alarm

Boys and girls there's a party alarm
Going whoa whoa whoa, whoa whoa whoa
Across the world
There's a party alarm
Going whoa whoa whoa, whoa whoa whoa

Girls go "Whoa, let's get down"
Come on, come on and turn it up loud now
Whoa whoa whoa
Everybody move to the party alarm

You've got to move it
Turn around now
People gotta move to the party alarm

You've got to grove it
Turn around now, turn around now, turn around now, yeah

Boys and girls there's a party alarm
Going whoa whoa whoa, whoa whoa whoa
Across the world
There's a party alarm
Going whoa whoa whoa, whoa whoa whoa

Boys and girls there's a party alarm
Going whoa whoa whoa, whoa whoa whoa
Across the world
There's a party alarm
Going whoa whoa whoa, whoa whoa whoa

Boys and girls there's a party alarm
Going whoa whoa whoa, whoa whoa whoa
Across the world
There's a party alarm
Going whoa whoa whoa
Everybody move to the party alarm
