"Steppin' Away"

I Thought I made it so clear
You made a change in my life
I watched you dissappear
Tell you the truth I'm not lonley

Now you're steppin away from me
One foot at a time
now you're steppin away from me
Hope it's the last time

Cold and lonley

What's your biggest fear?
Feeling empty inside
Don't want to see you come closer here
I'd hate to say it's just over

Now you're steppin' away from me
One foot at a time
Now you're steppin away from me
Hope it's the last time

Cold and lonley, cold and lonley

chorus x2

cold and lonley, cold and lonley
