It looks serious  
Is that a paper I see in your hand?  
Then a pause for a German phrase  
"Nie weider nie weider, nie weider nie weider"

Never again, none of your lip  
Y'tulip, Y'tulip, y'pea brained earwig  
Y'punk, y'silver tongued shnake  
I'd rather make furniture than go to midnight mass

Y'tulip, y'pea brained earwig  
Y'punk, y'silver tongued snake

He's a genius in research, I simply fell in love, I've got  
your ZIP code?  
Over there U.S.A., green turbaned angels annex the  
right bank  
Baby, in a shambolic sideshow they abandoned the  
baby  
The baby trained, baby returns, baby kills Mary and  
Joseph

Talk about laughing, I might have defeated cancer or  
so they say  
Electrocuted, I was transformed into a foot soldier of  
the good general  
Passionate for knights in the heart of ancient Persia  
Fearless to go forth, fearless to adapt then blow to  
pieces

Please send your god my very best wishes  
Does he still sing? Does he still fish?  
Does he still help you on your days off?  
Don't stopping that dripping, I prefer the old tortures  
It's only when you stop that I feel it

When you lose the ship, it's like losing a part of you  
I have a sense of my exposure, it's all on the neg.  
I try to use 2 instead of 3, ah, but I have secrets  
And there's a story in me, it starts

Dot, dot, dot, dot, dot, dot
