No switch in this dark but you search anyway  
This is the night, here in the day  
One thing remains perfectly clear  
It's the buzz buzz buzz in the drum of the ear

Zee zee zee, zum zum  
Buzz buzz, buzz buzz in the eardrum  
Zee zee zee, zum zum  
Buzz buzz, buzz buzz in the eardrum

Now you live in the world of the wave  
And you scratch your name on the walls of the cave  
Instincts never leave you perfectly clear  
There's always a buzz buzz buzz in the drum of the ear

Zee zee zee, zum zum  
Buzz buzz, buzz buzz in the eardrum  
Zee zee zee, zum zum  
Buzz buzz, buzz buzz in the eardrum

Marco Polo has lost his way  
The Louisville Lip has nothing to say  
One thing remains perfectly clear  
The buzz buzz buzz in the drum of the ear

Zee zee zee, zum zum  
Buzz buzz, buzz buzz in the eardrum  
Zee zee zee, zum zum  
Buzz buzz, buzz buzz in the eardrum

The buzz buzz, the buzz buzz in the eardrum

Custard Jack has lost his Mac  
Captain Flash won't give it back  
It seemed to them both perfectly clear  
The buzz buzz buzz in the drum of the ear

Zee zee zee, zum zum  
Buzz buzz, buzz buzz in the eardrum  
Zee zee zee, zum zum

Buzz buzz, buzz buzz in the eardrum

Buffalo Bill, deprived of will  
Chasing a hamburger down the hill  
It seemed to him perfectly clear  
The buzz buzz buzz in the drum of the ear

Zee zee zee, zum zum  
Buzz buzz, buzz buzz in the eardrum  
Zee zee zee, zum zum  
Buzz buzz, buzz buzz in the eardrum

Adolf turned out very nice  
Hannibal is afraid of mice  
One thing remains perfectly clear  
It's the buzz buzz buzz in the drum of the ear

Zee zee zee, zum zum

Zee zee zee, zum zum
