Visit "[Kidney Bingos](#)" on MotoLyrics.com

Natural splits, sunburn jets, price marks, smart bets
Strikers luck, pitch backs, heap tips, pit slacks
Dressed pints, demon shrinks, bread drunk, dead
drinks
Stretch clubs, models box, draw skin, black shocks

Money spines, paper lung
Kidney bingos, organ fun

Flag stunt, rock stone, dole axe, crash dive
Breathe thrift, take speed double, take weekends
Skull row, drugs hall, color bars, sex calls
Sparkle finds rented rings, pretty things, clipped wings

Gold street, spy fleet, scandal food, poor treat
Fire run, club gun, rule mob, burn some
Bomb time, pop crime, stock frame, steady climb
Fresh name, donor game, fair meat, all the same
