Persuading analysts
Engaging catalysts
Exploding empathy
Avoiding chemistry
Pushing out envelopes
Enhancing isotopes
Refining registration
Avoiding isolation
Surfing without a sail
Banged up or out on bail?
Flying without a pill
Break out exerting will
Swerving and gently rolling
Slipping and slowly falling
Review and regulate
Rebuilt and recreate

Mathematically precise
React, evolve, entice
Regroup then dissipate
Annoy exasperate
Linked ands and strolling through
Locked horns with abject crew
Winging and heading blind
With nothing left behind

Avoid analysis
Employ a catalyst
Persuade with empathy
Engaging chemistry
Pushing the envelope
Mutating isotopes
Insist on registration
Persist in isolation
Hung out without a care
Swerving without a spare
Banking without a spill
Climbing a bigger hill
Shifting and sweetly calling
Sifting and mentally trawling
Rebuild and regulate
Review and recreate

Mathematically precise
React, evolve, entice
Regroup then dissipate
Annoy exasperate
Linked hands and strolling through
Locked horns with abject crew
Winging and heading blind
With nothing left behind
