#### MEMORIAL

Get on the street, get over here.  
Everywhere flowers and garlands semi-crumbled.  
Looks like they have already unveiled our memorial  
tonight without us  
Get the sledgehammer!

They have built us a memorial.  
And any moron knows that this is defiling love  
I will hire the city's worst sprayers,  
they shall smear paroles on the rubble at night.

Get on your legs, get over here.  
It's dawning soon and we don't have all night.  
Should someone catch us now we will be united  
forever,  
in concrete and blissfulness.  
Get the sledgehammer!

They have built us a memorial.  
And any moron knows that this is defiling love  
I will hire the city's worst sprayers,  
they shall smear paroles on the rubble at night.

Can you see the inscription down there by the shoes?  
It says in golden letters: we shall rest in eternity.  
Get the sledgehammer!

Siehst du die Inschrift da unten bei den Schuhen  
Da steht in goldener Schrift wir sollen in Ewigkeit ruhen

They have built us a memorial.  
And any moron knows that this is defiling love  
I will hire the city's worst sprayers,  
they shall smear paroles on the rubble at night.

They have built us a memorial.  
And any moron knows that this is defiling love  
I will hire the city's worst sprayers,  
they shall smear paroles on the rubble at night.
