Not one of my kind of people thought that's part of our  
lives  
Not one of the type of things that I like to do with my  
time and  
I don't see and don't believe he'll ever get it right really  
Not one of my kind of people  
Don't want group aggravation he's always there on the  
case  
Love is not your vocation but love to get in the face of  
everybody here who looks you up a funny way  
Really  
Not one of my kind of people

Now don't you pretend that when you wake in the  
morning you're lying to yourself it will happen again  
Repeated offender you should come with a warning  
It's embarrassing for all of your friends
