If you're a new band breaking be aware cause she
won't be far behind
But if you've got no airplay she won't care and you
better move aside

She'll be be down south top ten in her mouth in the
blink of an eye
She'll be top draw on the backstage floor till the new
band arrives
Ooh she's got standards but you're cool if you're at
twenty five
Ooh she's got standards til you put the twinkle in her
eye
So you better cover up boy

If you're a new band breaking be aware cause she'll
never leave your side
Cause if the NME say you're so cool and they really like
your style

She'll be be down south top ten in her mouth in the
blink of an eye
She'll be top draw on the backstage floor till the new
band arrives
Ooh she's got standards but you're cool if you're at
twenty five
Ooh she's got standards til you put the twinkle in her
eye
So you better cover up boy

She'll be be down south top ten in her mouth in the
