Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up, get up, get up

Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up, higher baby

Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up, get up, get up

Get up, get up put the body in motion
Get up, get up put the body in motion
If you can hear us and ya got the notion
Man man do it, just start the commotion

Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up, get up, get up

Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up put the body in motion
Man man do it, just start the commotion

Light it up baby, hey

Man man do it, just start the commotion

Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up, get up, get up

Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up put the body in motion

Man man do it, just start the commotion

Hey

Get up, get up, get up, get up
Get up, get up, get up, get up
Get up, get up, get up, get up
Get up, get up, get up, get up
Get up, get up, light it up baby

Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up put the body in motion
Get up, get up, get up, get up

Get up, get up, put the
Get up, get up, put the
Get up, get up, put the
Get up, get up, put the

Start the commotion
Start the commotion
Start the commotion
