Oh I can't keep it in, can't keep it in.
I've gotta let it out.
I've gotta show the world, world's gotta see.

See all the love, love that's in me - I said
Why walk alone. Why worry when it's warm over here.

You've got so much to say, say what you mean.
Mean what you're thinking, and think anything.

Oh why, why must you waste your life away.
You've got to live for today, then let it go - Oh

Lover, I want to spend this time with you.
There's nothing I wouldn't do, if you let me know -

And I can't keep it in, I can't hide it and
I can't lock it away.

I'm up for your love, love heats my blood
Blood spins my head, and my head falls in love.

No I can't keep it in, I can't keep it in.
I've gotta let it out.

I've gotta show the world, world's got to know
Know of the love, love that lies low, so

Why can't you say, if you know then
Why can't you say.

You've got too much deceit. And deceit kills the light.
Light needs to shine, I said shine light, shine light.

Love, that's no way to live your life.
You allow too much to go by, and that wouldn't do - No

Lover, I want to have you to be here by my side
Now don't you run don't you hide, while I'm with you.

' N I can't keep it in, can't keep it in.

I gotta let it out.

I've gotta show the world, world's got to see
See all the love, love that's in me.

I said why walk alone,
Why worry when it's warm over here.

You got so much to say, say what you mean
Mean what you're thinking and think anything, why not?
Now why why why not? submitted by C. Cox
