How Can I Tell You

by Cat Stevens

How can I tell you
That I love you
That I love you
And I can't think of right words to say
I long to tell you
That I'm always thinking of you
I'm always thinking of you
But my words just blow away
Just blow away
It always adds up to one thing, honey
And I can't think of right words to say

Where ever I go I'm always
I'm always walking with you
I'm always walking with you
But I look and you're not there
Whomever I'm with I'm always
Always talking to you
Always talking to you
And I'm sad that you can't hear
Sad that you can't hear
It always adds up to one thing, honey
When I look and you're not there

I need to know you
I need to feel my arms around you
Feel my arms surround you
Like sea around a shore
Each night I pray
In hopes that I might find you
In hopes that I might find you
Because hearts can do no more
Can do no more
It always adds up to one thing, honey
Still I kneel upon the floor

How can I tell you

That I love you
That I love you
And I can't think of right words to say
I long to tell you
That I'm always thinking of you
I'm always thinking of you
But my words just blow away
Just blow away
It always adds up to one thing, honey
And I can't think of right words to say
