I built my house from barley rice,  
Green pepper walls, and water ice,  
tables of paper wood, windows of light.  
And everything emptying into White.

A simple garden, with acres of sky,  
a Brown-haired dogmouse if one dropped by.  
Yellow delanie would sleep well at night,  
With everything emptying into White.

A sad Blue eyed drummer rehearses outside,  
a Black spider dancing on top of his eye,  
Red legged chicken stands ready to strike.  
And everything emptying into white.

I built my house from barley rice,  
Green pepper walls, and water ice...  
And everything emptying into White.
