Now maybe you're right
And maybe you're wrong
But I ain't gonna argue with you no more
I've done it for too long

It was gettin' so good
Why then, where did it go?
I can't think about it no more
Tell me if you know

You were loving me
I was loving you
But now there ain't nothing but regretting
Nothing, nothing but regretting
Everything we do

I put up with your lie
Like you put up with mine
But god knows
We should have stopped somewhere
We could have taken the time

The time has turned
Yes some call it the end
So tell me did you really love me
Like a friend?

You know you don't have to pretend
It's all over now
It'll never happen again
No-no-no
It'll never happen again
It won't happen again
Never-never-never
It'll never happen again
No-no-no-no-no-no

So maybe you're right
And maybe you're wrong
But I ain't gonna argue with you no more
I've done it for too long

It was getting so good
Why then where did it go?
I can't think about it no more
Tell me if you know

You were loving me
I was loving you
But now there ain't nothing but regretting
Nothing, nothing but regretting Everything we do
