Oh very young  
what will you leave us this time  
you're only dancing on this earth  
for a short while  
and though your dreams may toss  
and turn you now  
they will vanish away  
like your daddy's best jeans  
denim blue fading up to the sky  
and though you want him to last  
forever you know he never will  
(you know he never will)  
and the patches  
make the goodbye harder still  
oh very young  
what will you leave us this time  
there'll never be a better chance  
to change your mind  
and if you want this world  
to see a better day  
will you carry  
the words of love with you  
will you ride  
the great white bird into heaven  
and though you want to last  
forever you know you never will  
(you know you never will)  
and the goodbye  
makes the journey harder still  
oh very young  
what will you leave us this time  
you're only dancing on this earth  
for a short while  
oh very young  
what will you leave us this time
