Oh I'm on my way I know I am, somewhere not so far  
from here  
All I know is what I feel right now, I feel the power  
growing in my hair  
Sitting on my own now by myself, everybody's here  
with me  
I don't need to touch your face to know, I don't need to  
use my eyes to see  
I keep on wondering if I sleep too long, will I always  
wake up the same (or so)?  
And keep on wondering if I sleep too much, will I even  
wake up again or something  
Oh I am on my way, I know I am, but times there were  
when I thought not  
Bleeding half of my soul in bad company, I thank the  
moon I had the strength to stop  
I'm not making love to anyone's wishes, only for the  
light I see  
'Cause when I am dead and lowered in my grave, that's  
gonna be the only thing that's left of  
me  
And if I make it to the waterside, will I even find me a  
boat (or so)?  
And if I make it to the waterside, I'll be sure to write you  
a note or something.  
Oh I'm on my way, I know I am, somewhere not so far  
from here  
All I know is all I feel right now, I feel the power growing  
in my hair  
Oh life is like a maze of doors and they all open from  
the side you're on  
Just keep pushing hard boy, try as you may  
You're going to wind up where you started from  
You're going to wind up where you started from
