You look so good,  
You look like Jello.  
Only me and you can get down,  
If it were yellow.

Yellow jello,  
Me and you,  
We would make quite a pair,  
People would stare,  
And they would dare to ask,  
"What's up with that?"

I said, "Jello,"

Let's get some yellow jello 'n mellow  
We could beat that fellow, jello.

You and me,  
We'd be so slippery,  
If we,  
Were covered in jello,  
Yellow jello.

You and me,  
We look like quite a scene.  
When we walked about on the street,  
Covered in jello,  
Yellow jello.

We could be red fellows,  
Covered in yellow jello.  
If it was just you and me,  
We wouldn't be mellow.  
Watch the television,  
Yes officer some kind of show,  
Any kind of show you know.

That makes us yellow,  
Yellow,  
Yellow.

You like jello pudding pops?

Well, I do too.

That's pretty sweet.
