I will kill you in your sleep
So you better try, try to keep awake
I will kill you in your sleep
So you better try, try to keep awake
I will kill you in your sleep
So you better try, try to keep awake

Keep your left eye open and your right toe twitchin'
'Cause I'm in the kitchen
With a knife that's itchin' for your red blood
On those white sheets

So keep your left eye open and your right toe twitchin'
'Cause I'm in the kitchen
With a knife that's itchin' for your red blood
On those white sheets

I will kill you in your sleep
So you better try, try to keep awake
I will kill you in your sleep
So you better try, try to keep awake
I will kill you in your sleep
So you better try, try to keep awake
I will kill you in your sleep
So you better try, try to keep awake

Keep your left eye open and your right toe twitchin'
'Cause I'm in the kitchen
With a knife that's itchin' for your red blood
On those white sheets

So keep your left eye open and your right toe twitchin'
'Cause I'm in the kitchen
With a knife that's itchin' for your red blood
On those white sheets

I will kill you in your sleep
So you better try, try to keep awake
I will kill you in your sleep
So you better try, try to keep awake
I will kill you in your sleep
So you better try, try to keep awake

I will kill you in your sleep
So you better try..
Try
And keep awake
