No I don't bend that way
I will never kneel to pray
All those who's hope broke down
Eyes closed, hands closed, burial shroud

They are cannibals
They eat their way to eternal life
They are cannibals
They eat their way to eternal life

And I pray
Oh I pray
Stand and pray the Lord
My soul to shake!

Suaviter et Fortiter
My family prayer
I hope to see you there
On the other side
Mary mother, child and lover

Only now do we discover
Yeah, we know what we do

We are cannibals
We eat our way to eternal life
We are cannibals
We eat our way to eternal life

Oh I pray
Yes I pray
Stand and pray the Lord
My soul to shake!

Oh she swayed my soul! Oh she swayed my soul!
Oh she swayed my soul!
Oh she swayed my soul with that sweet rock'n'roll!

I was living like a cannibal... I've been living like a
cannibal...
I've been living like a cannibal... I've been living like a
cannibal...

She swayed my soul!
