Shock and fright  
All the creatures of the night  
They're coming after me  
And I'm runnin runnin runnin cant you see  
from these things that are coming after me-e-e

Bill collectors, tax inspectors  
Parking enforcement has  
got the government endorsement  
to take my money away from me

Shock and fright  
All the creatures of the night  
They're coming after me  
And I'm runnin runnin runnin cant you see  
From these things that are comin after me Â-e Â-e

My ex girlfriend and her new boyfriend  
and his Mercedes Benz  
She calls me lazy  
So what IÂ'm happy this way

Said Presidents and dead presidents,  
And the residents,  
at my apartment complex  
complain about all the loud sex  
but they just donÂ't knowÂ...  
IÂ'm alone and watchin porno

Shock and fright  
All the creatures of the night  
Are running after me  
All this runnin is getting tiring  
For a guy this lazy like me

Think I just might  
Join the other side  
Hear itÂ's an easy life  
To be a monster,  
So check under your bed tonight

Bill collectors, tax inspectors

Presidents, residents and old dead friends (4x)
