wish I was a monkey  
IÂ'd sleep in the trees  
IÂ'd do my best to imitate the man  
Who does his best not to imitate me  
You know IÂ'd have thumbs just like a man  
But none of the obligations  
Yeah everything IÂ'm tied to now would be gone, gone,  
gone, gone, gone, gone

IÂ'd like to be a monkey  
Be monkeys with you  
Â'Cause IÂ'm a monkey by myself  
With a lot of shit to do  
IÂ'd like to be a monkey  
Be monkeys with you  
Â'Cause IÂ'm a monkey by myself

IÂ'm in trouble with my family  
IÂ'm in trouble with the law  
IÂ'm in trouble financially  
I guess you could say I get in trouble a lot  
IÂ've dance frantically in passion  
IÂ've lain motionless in apathy  
But all I wanna do is swing in a tree  
Away from the agony of love and sex and drugs X3  
And all the lack there-ofs  
IÂ'd like to be a monkey  
Be monkeys with you  
Â'Cause IÂ'm a monkey by myself  
With a lot of shit to do  
IÂ'd like to be a monkey  
Be monkeys with you  
Â'Cause IÂ'm a monkey by myself

Now If I was a monkey IÂ'd be very very funky  
An abundance of bananas  
Monkey bitches and the skunky  
Big red eyes and a big red ass  
Chilling in my monkey bungalow made of sticks and  
grass  
The monkey life is the life for me  
Not a pirate or an MC

MC spidermonkey  
The fly white honky  
The king of the jungle  
The pimp in the palm trees  
Dipping Sipping on coconut wine  
Blinging out my rings  
Busting out my rhymes  
Cruising in my pint sized Escalade  
Smoking Philly blunts in the shade  
This monkey's got it made X3
