Oh no! Oh no! Oh no!  
You turned your lover down  
As though you just awoke  
You follow the sound

Out the door to the ground floor  
Where ya see a man standing  
Where ya never seen before  
Playing a guitar with his heart in a string  
Watch him dance and sing out on the street  
But everyone who sees  
Just taken with the sight, not the sound...

(...Aa-aahh...!!!)

So let your hands slip off the wheel  
As you begin to feel something  
That could heal your broken shattered bones  
As you drift off the road to turn up the radio  
Your body is thrown to the unknown

Oh no! Oh no! Oh no!  
You turned your lover down...  
As though you just awoke  
You follow the sound

To my guitar of which I sing  
I will give my diamond ring  
If only this old piece of wood  
Would love me like a woman...

Ding Dong  
Hello, it's Thwilla! Smooth like vanilla  
Dancing you can't see me cause I'm on your record  
Start snapping, start clapping  
Moon walk on the floor till they call you Michael Jackson  
Cause you're bad, you know it  
Your dad he noticed  
Slip me a love potion  
I'll do the locomotion  
Romba, Conga, Samba and Charleston  
The sounds got me shaking in a major way

With a little help from Jim, Jack and James  
Now, get in the middle miss, let me watch you wiggle it  
Show me where you're ticklish and shake it like Shakira  
did  
Done good without a doubt  
Must of ate your Brussels sprouts  
Now just please don't turn me down  
Please don't turn me down  
Please don't turn me down

Oh no! Oh no! Oh no!  
You turned your lover down  
As though you just awoke  
You follow the sound

Oh no! Oh no! Oh no!  
You turned your lover down  
(My dancing shoes)  
As though you just awoke  
You follow the sound (x5)
