And I was feeling dirty,  
When I washed up in the rain,  
I missed the 7:20, but I caught another train at 8.  
Cuz I was sleeping with your bedroom walls,  
Asking them all the things you saw in me,  
And there I lie, they reply Don't mean a thing,  
Don't mean a thing,

My apartment in the city,  
I always stay out late,  
Always burning out the window,  
At the stars above the lake,  
I breathe out Chicago like it's the last thing in my lungs,  
ohhh  
It's never love if it's the girl that you're giving up.  
It's never love if it's the girl that you're giving up.

So what you think about that one,

Now you got a lot to lose now,  
With a baby on the way,  
Are you gonna give him my name,  
Or you could have found some better taste,  
Instead of slumming with those downtown guys,  
You got, down in guys with the way they say your  
name,  
And I've always tried, the way you lie, is where I wanna  
be,

My apartment in the city,  
I always stay out late,  
Always burning out the window,  
At the stars above the lake,  
I breathe out Chicago like it's the last thing in my lungs,  
ohhh  
It's never love if it's the girl that you're giving up.  
It's never love if it's the girl that you're giving up.

My apartment in the city,  
I always stay out late,  
Always burning, burning, burning out that f\*cking

window, baby,  
And I breathe, and you leave, what you see is what you  
need,  
It's what you need,  
It's never love if it's the girl that you're giving up.  
It's never love if it's the girl that you're giving up.  
It's never love if it's the girl that you're giving up.  
It's never love if it's the girl that you're giving up.
