[she]
Step outside my feet meet the pavement
And im alright
Ladadada

[he]
I drive up and i see her outside
Honey please come back to me just one time

[she]
So what
Are you doing here

[he]
You know exactly
What im doing here

[she] Just let this go
[he] i can't let gooo

[he]
And she's got me screaming
At night when im dreaming

[she]
Hes got me thinking
Im not good for anything

[Both]
Look at this mess we've made
With only ourselves to blame
[She]
I know all about your midnight mistakes
But i play dumb
Because the truth i can't face

[he]
And i know about
All your mistakes
Like all of the guys
You were with on spring break

[She]
Come on just stop
Im so sick of fighting

[He]
And i look fine now
But inside im just dying

[She]just let this go
[He] i can't let go

[he]
And she's got me screaming
At night when im dreaming

[She]
And he's got me thinking
Im not good for anything
