Sakura no hana wa kurui zaki  
Harutuge dori wa kurui naki  
Ningy asobi no hi wa kurete

Kurenai moyuru hitomi no oku ni  
Nani wo utsushite, namida suru  
Toi okuni no ijinsan  
Ano hi no fune wo, matte iru

Sakura no hana wa kurui zaki  
Touen r ni, haru ga kuru  
Oboro zukiyo wa te kagami ni

Nozoita kao wa aozameru  
Ashita no yume wa dare no yume  
Hitori jigoku wo samayotte  
Toi mukashi wo omidasu

Yodoshi tuzuku haru arashi  
Kasumu yozora ni hana wa chiru  
Sakura no hana ni uzumorete  
Shineru no naraba kono you ni wa  
Nanno miren mo nai keredo

Sakura no hana wa kurui zaki  
Harutuge-dori wa kurui naki

Yagate watashi wa chiri isogu  
Usuzumi iro no hatu ni naku,  
Haru ni naku
