We'll be leaving this town in the mornin'  
Tommorrow we'll be able to see  
I've had me enough of this city  
And she's had enough out of me

Say if I climbed to the mountain  
Would you still follow me there  
Steal me away in an echo  
The mountain will always be there

Well I'm turning my sights on the country  
I sold everything that I own  
Heading away from the bright lights  
Looking for where the wind blows

Say if I climbed to the mountain  
Would you still follow me there  
Steal me away in an echo  
The mountain will always be there

We'll be leaving this town in the mornin'  
Tommorrow we'll be able to see  
I've had me enough of this city  
And she's had enough out of me

Say if I climbed to the mountain  
Would you still follow me there  
Steal me away in an echo  
The mountain will always be there
