Mother 's first look to the eyes of a child  
Casts the die of destiny.  
It's a perfect life she gives to you,  
Not to lose so innocently.  
Leading the way, she rises above  
Unexpected adversity.  
I hear her calling, keeper of the light,  
The words of warning, thunder in the night.  
I hear her calling, guarding what is right.  
I see her waiting, keeper of the light.

A silhouette on the skyline, a symbol of your liberty,  
Protecting time that's passing by,  
Mother knows, never lies.  
A better life the children will see,  
A world of change, full of hope and sympathy.

I hear her calling, keeper of the light,  
The words of warning, thunder in the night.  
I hear her calling, guarding what is right.  
I see her waiting, keeper of the light.
