Lady whiskey, such a sad sight  
Stumblin' as she walks  
She even hates herself sometimes  
Keep her clear, for it's Saturday night

Drowns her sorrow  
Eases her pain  
Waits for tomorrow  
When she'll do the same again

Lady whiskey's got a man  
Man is just like her  
Try to fit the key in the door  
He comes home on Saturday night

Drowns his sorrow  
Eases his pain  
Waits for tomorrow  
When he'll do the same again

Lady whiskey's got a son, got a daughter, too  
Son don't play, but the daughter's on the way  
When she comes home on Saturday night

Drowns her sorrow  
Eases her pain  
Waits for tomorrow  
When she'll do the same again

Lady whiskey, she gets sick  
When she goes downtown  
One day drink's gonna put her down  
She won't come home on Saturday night
