Four ways to the language that seems to confuse me  
I refuse to work inside that cell any more  
I can't see any reason for you to doubt it  
Certain needs of life answer to your call

Our love is stronger  
Our love is stronger  
I'm waitin' for our love to show  
I'm waitin' for our love to grow  
Waitin' for our love to show  
Waitin' for our love to grow

Cynics must have their own little reward  
Information shared, heavy as trust  
Wise men have always been our installed radar  
I can take some destined caress for us

Our love is stronger  
Our love is stronger  
I'm waitin' for our love to show  
I'm waitin' for our love to grow  
Waitin' for our love to show  
Waitin' for our love to grow

People tryin' to guide us into an old scene  
Emotional mortgages at every door  
Searchin' for the joy of every day life  
Is there another future we're tryin' for?

Our love is stronger  
Our love is stronger  
I'm waitin' for our love to show  
I'm waitin' for our love to grow  
Waitin' for our love to show  
Waitin' for our love to grow
