"Say Goodbye"

I can tell that you don't feel good
I guess you're not alone.
Now that you packed your things
And you're ready to go
Let's do something tonight I don't know.

We can take a ride across town
Come on, baby, get your clothes on.
All night long, we'll be so high
That's the way we'll say goodbye.

What's the name of the old cafe
Where we used to go?
It could be good to go there now
But I don't want to be unhappy today.

We can take a ride across town
Come on, baby, get your clothes on.
All night long, we'll be so high
That's the way we'll say goodbye.
