One so young...so changed  
Should not be left alone  
Two...in love...should confess  
And not be left alone

I will run to you  
Down whatever road you choose  
I will follow you down  
I will run to you

You've had time...come around  
Will you please make up your mind  
I...stand accused...on trial  
Will you please make up your mind

I will run to you  
Down whatever road you choose  
I will follow you down  
I will run to you

Make it easy for me  
I been lonely baby  
Show some mercy honey  
I was nothing  
All those lonely nights  
Showed me something  
If you need me  
I'll come runnin'

I will run to you  
Down whatever road you choose  
I will follow you down  
I will run to you
