I saw her today, I saw her face  
It was a face I loved and I knew  
I had to run away  
And get down on my knees and pray  
That there'd come a day  
And still it begins, needles and pins  
Because of all my pride  
The tears I've got to hide

Oh, I thought I was smart  
I'll hold her heart  
And I didn't think I'd do  
But now I see  
She's worse to him than me  
Let her go ahead, and take his love instead  
And one day she will see

Just how to say please  
And get down on her knees  
Yeah that's how it begins  
She'll feel those needles and pins  
I know, I know

Why can't I stop and tell myself I'm wrong  
I'm wrong, so wrong  
Why can't I stand up  
And tell myself I'm strong?

Because I saw her today, I saw her face  
It was a face I loved and I knew  
I had to run away  
And get down on my knees and pray  
That there'd come a day  
And still it begins, needles and pins  
Because of all my pride  
The tears I've gotta hide  
Oh needles and pins  
Needles and pins  
Needles and pins
