When life is too much
roll with it
baby

don't stop and lose your touch
oh no
baby.
Hard times knocking on your door

I'll tell them you ain't there no more.
Get on through it
roll with it
baby.
Luck will come and then slip away

you've got a move
bring it back to stay.

You just roll with it
baby
come on and just roll with it
baby

you and me
roll with it
baby
hang on and just roll with it
baby.

The way that you love is good as money

I swear by the stars above sweet as honey.
People think you're down and out

you show them what it's all about.
You can make it
roll with it
baby.
When this world turns its back on you

hang in and do that sweet things you do.

Just roll with it baby
just roll with it baby

come on and just roll with it
baby

hang on and just roll with it
baby.

Roll with it
baby
you just roll with it
baby

you and me
just roll with it
baby

hang on and just roll with it
baby.

Now there'll be a day you'll get there
baby

you'll hear the music play
you'll dance
baby.
You'll leave bad times way behind

nothing but good times on your mind.
You can do it
roll with it
baby.
Then you'll see life will be so nice

it's just a step up to paradise.

Roll with it
baby
you just roll with it
baby

you and me
just roll with it
baby

hang on and just roll with it
baby.
