Do you feel me underneath your skin?  
And do you see me watching you with him?

And so you tell me there ain't enough to go around  
You can't hold me down, hold me down

When did I ever say I'd fall in love with you?  
It was the greatest day of my life  
Leaving you, leaving you

My intentions were never pure at all  
Imperfections that read in you I saw

And so you tell me there ain't enough to go around  
You can't hold me down, hold me down

When did I ever say I'd fall in love with you?  
It was the greatest day of my life  
Leaving you, leaving you  
When did I ever say I'd fall in love with you?  
It was the greatest day, the greatest day, the greatest  
day of my life

Do you hate me? [x4]  
Do you hate me? (Hate me!) [x4]

When did I ever say I'd fall in love with you?  
It was the greatest day of my life  
Leaving you, leaving you  
when did I ever say I'd fall in love with you?  
It was the greatest day of my life  
Leaving you, leaving you

Do you hate me? [x4]  
Do you hate me? (Hate me!) [x4]
